## WHY SHOULD I APPLY?

Fully online

Access to modules recording

University Diploma

World Reference Faculty

Learn by doing concept

Evidence-based Learning

One module a month

Extra module with side-by-side  
monitoring

---

**APPLY NOW** Starts September, 23 **2021**

---

## Frequently Asked Questions

Who should apply? Anyone with a degree

Are there any discount?

Yes, for Egas Moniz Students, Egas Moniz collaborators and 10% for immediate payment upon enrollment

What are the future perspectives for participants?

You will gain key information to design, perform and publish systematic reviews of high quality, framed upon evidence-based guidelines.

These skills will be of the utmost importance during academic courses, during students mentoring, for editorial or reviewers roles and even for industry.

Is this only for people with a Science degrees?

Not at all. All relevant fields will need sometime expertise in systematic reviews.
